EDUCATION

Guru Jambheshwar University Of Science And Technology, Hisar 2021 – 2025
Bachelor of Technology in Information Technology - **CGPA**: **7.8** *Hisar, Haryana*

S.N Sinha College, Aurangabad, Bihar 2018 – 2020
Class XII, BSEB - **Percentage**: **83** *Aurangabad, Bihar*

D.A.V Public School Nabinagar 2018
Class X, CBSE - **Percentage**: **90.8** *Nabinagar, Bihar*

RELEVANT COURSEWORK

- DSA
- OOP Concepts
- DBMS
- Software Engineering
- Operating Systems
- Computer Networks
- MySql

PROJECTS

Medicine E-Order ⬈

- Developed a **Full Stack web application** which helps users order medicines, including user authentication and order tracking.
- Implemented user authentication and order tracking, reducing manual order errors by 80%.
- Tech stack used to develop this application is **HTML, CSS, JavaScript, React.jS, Node.js, Express.js, MongoDB.**

Complaints-Register ⬈

- Created a **Full Stack Web Application** which helps in registering and managing 75% complaints within organization.
- Developed real-time status updates, increasing user engagement by 30%.
- Tech stack: **HTML, React.js, Tailwind CSS, JavaScript, Node.js, Express.js, MongoDB.**

Event-Planning ⬈

- Built a **Full Stack Web app** which helps with efficient event planning and management.
- Integrated event scheduling and Google Maps, resulting in a 25% increase in event attendance.
- Tech stack used in building this is **HTML, CSS, React.js, Node.js, Express.js, MongoDB.**

TECHNICAL SKILLS

Languages: C++, C, JavaScript, SQL, HTML/CSS.

Technologies/Frameworks: Tailwind CSS, React, Express, Node.JS, MongoDB.

Developer Tools: Git, GitHub, VS Code.

Personal Skills: Problem Solver, Determined, Critical Thinker, Adaptive Learner.

ACHIEVEMENTS

- Secured **Rank 1** in Crown For Code Coding Contest in College TechFest.
- Achieved **5 Star** on HackerRank.
- Solved **1100+ Problems** on Data Structure Algorithms on multiple platforms.
- Ranked in the **Top 5** on **GeeksForGeeks** in college.
